# House fire kills 17-year-old

by GLORIA DAVIS

The Antioch Fire Dept. handled its first fire fatality in 10 years on Monday, June 7, when Robbie Sili, 17, was found dead near a window in the burning home owned by his parents in Crandall Subdivision on Lake Catherine.

The two-story, single family, frame house, owned by Renzio Sili, was almost completely destroyed, although the fire was put out within minutes of the recovery of the youth's body.

According to Antioch Fire Chief Todd Maplethorpe, the fire call came in at 2:10 a.m. and his department was on the scene at 2:14 a.m.

As soon as they arrived, the firemen were told by the father that the 17-year-old was still in the burning house and Capt. Ray Gallaher went in a window wearing an air pac to find the young man succumbed near the window his father had told him to escape through.

Maplethorpe said that the fire apparently started when the younger Sili left a French fryer in an electric stove on when he fell asleep.

The pan burned through and the burning grease set the house ablaze.

The parents escaped the burning structure after the father lost his son in the smoke,

telling him to get out through a window.

Firemen Bill Carney and Paul Sural tried cardio-pulmonary resuscitation but the youth failed to respond and the Antioch Rescue Squad took him to St. Therese

Trauma Satellite, Lake Villa, where he was pronounced dead.

Five pieces of fire equipment, two rescue squads and 34 men answered the emergency call.

## Haley trial continued

According to West Palm Beach County States Atty. Maurice Hall, the trial of William Haley, 40, Antioch, on charges of drug trafficking, has been continued because Haley's lawyer is involved in a case in another Florida County and was not able to appear in court on the trial date, June 4, set four months ago.

Hall said the the prosecutor's office was apprised of this fact on June 3 when one of the state's witnesses was being deposed by the defense.

The new trial date has not been set. Haley and James Amoroso, Mc Henry, were implicated by Robert Hoffman, 34, Lake Villa, and Woodrow Wilson, 28, Colorado, who were arrested in West Palm Beach in spring of 1981, when a twin engine Cessna, owned by William Zeigler, Round Lake, was con-

fiscated by Federal authorities along with \$476,000 worth of marijuana.

Zeigler's plane was released by customs authorities and re-confiscated in January by customs officials at Ft. Meyers Airport, Fort Meyers, Fla., when marijuana traces were found in the plane. Two area men, Frank Marotta, 35, Lindenhurst, and Allan Kennedy, 47, Antioch, were arrested at the scene and charged with violating a Florida state statute forbidding the carrying of firearms.

According to Atty. James Reilly, his clients Marotta and Kennedy were arraigned by mail with their appearance in a Ft. Meyer's court waived.

They pled not guilty to the charge of carrying firearms and their trial is set for June 21 in Florida.

## Parks get in the swim!

The Antioch Park District is accepting applications for season pool passes and child and youth day camps, according to Glenda Tomaschik, park and recreation department director.

A family membership for a season pool pass which covers both parents and two children under 18 costs \$55 for residents in the township, \$60 outside the township and \$5 for each additional child.

Single memberships in the township are \$30 and outside the township, \$35.

Each pass is issued for a sole owner and is not transferrable.

Checks may be made out to Village of Antioch, 874 Main St., Antioch, Ill. 60002.

The department's rain or shine day camp will be held all day, half days or one or two days a week from 8 a.m. to 5 p.m. at the Scout House in Williams Park for ages three through 12.

Four sessions are planned: from June 14 to 25; June 28 to July 9; July 12 to 23 and July 26 to August 6.

The fee is \$35 per week if the child has a season pool pass and \$45 per week if not. If the child attends for half days only, the fee is \$4 per day. For one day a week, the cost is \$8 and for two days per week, \$16.

Children are to bring a lunch. Juice will be supplied by the recreation department. The age groups will be separated into a three to five-year-old age group and a six to 12-year-

## Haley

(Continued from Page 1)

Reilly said that he expects this date to be set for sometime in July because "It's unrealistic, there's not enough time to get things together."

He added that he will then request a trial in abstentia so neither man has to go back down to Florida.

To date Zeigler's plane has not been returned to him. Reilly said that the U.S. Customs has informed him that they have made no

decision on the return of the plane and they don't know when they will. He also said that if there was no decision on the matter within a couple of weeks he was prepared to go before a federal judge to get some action.

Haley was also charged with drug trafficking in 1980 in connection with the smuggling of \$350 million in marijuana and amphetamines into Puerto Rico. He pled not guilty and was later released without being tried.

### Ask Dr. Sven FEVER BLISTERS

**Q:** Why do I get fever blisters? What causes them?

**A:** Some people are occasionally bothered by cold sores or fever blisters. These sores are usually caused by a herpes virus. They will arise on the lips and skin around the mouth, causing pain, itching, and crusting. They last one to two weeks and then heal, only to recur.

Most people are infected with herpes as infants. These children are quite ill, with a severe rash all over the mouth and throat, often with high fever. After the infection subsides the virus retreats in some patients and hides out in certain nerves. When resistance is low, the virus creeps down the nerve and affects the skin.

There is no cure. Wait for the sores to heal. Medication containing any form of cortisone should not be used, as these can spread the virus. Touching the sore should be avoided, as the virus is contagious and can be spread by contact.

## St. Peters to produce benefit variety show

St. Peter Parish, Antioch, is proud to announce that plans are underway for a benefit entertainment extravaganza to be presented at St. Peter School in early November 1982.

Billed as an "adventure in entertainment", "Footlights '82" will offer a variety of entertainment acts in several showrooms, and a tempting array of culinary delights will be available in several "holding" and dining rooms throughout the show areas.

Calling themselves "The Producers", the main committee members (Ted Sokulski, Jim Haley, Hank and Ricky Apostal, Bruce Pagni and Gail Marcquenski) have been meeting frequently to formulate plans and initiate the groundwork needed in this huge undertaking.

Talent auditions for "Footlights '82" will be held on Tuesday, June 22 and Thursday, June 24 from 7 p.m. til 10 p.m. each evening.

The auditions will be held at St. Peter School, 900 St. Peter St.

All types of talent are needed for the benefit performances to be held on four consecutive evenings, Nov. 4, 5 and 6, plus a special dress rehearsal viewing for participants on Wednesday, Nov. 3.

Singers (from "rockers" to yodelers), dancers, musicians, magicians, stand-up comedians, anyone with a special talent is invited to audition.

A piano accompanist as well as a phonograph and tape cassette will be available. Performers are asked to bring their own sheet music, costumes, props or whatever else may be needed to present their material, and entertainers are asked to limit their audition material to five minutes.

Further information can be obtained by calling Bruce Pagni at (312) 395-1404.

## Honor Keith Rezin

Former Antioch High School athlete Keith Rezin was honored with a varsity "A" blanket for four years of service to the Augustana Athletic Dept.

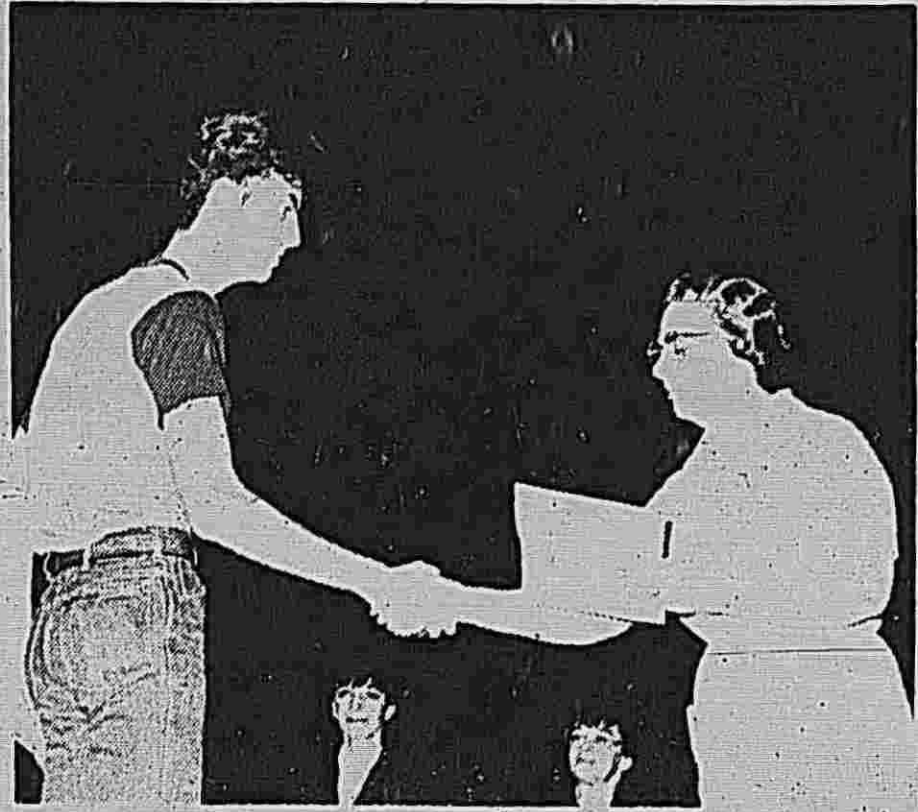

Rezin, a 1978 graduate of Antioch High School, was a four year letter winner in golf and he served as captain of the team during his junior and senior year.

Augustana won four College Conference of Illinois and Wisconsin (CCIW) golf championships with Rezin's help.

Individually Rezin finished third in the CCIW in 1980 and 1981 and finished fourth in the 1982 meet which Augustana won by eight strokes.

Rezin competed along with the Viking team in the NCAA Division III national meet during his first three years, and this year he has been selected to participate as an individual.

Rezin, who lives at 1912 East Hazelwood Drive in Lindenhurst, Illinois, will graduate at the end of May with a pre-medicine degree.

The chapter concluded their membership quota at this meeting with the enrollment of two members,

Margaret Peth and Ethel Bielenberg, both sponsored by Roberta Knackstedt. The re-enrollment of Dorothy Ottenstroer was sponsored by Ann Byczek.

The new officers elect are: senior regent Marge Hansen; Jr. Regent Mavis Dingsdale; Chaplain Patricia Sterling; Treasurer Veronica Gahlbeck and Recorder Judy Page.

## Parson receives certificate

Bob Parson, son of Mr. and Mrs. Joseph Parson of Antioch, received a certificate from Shimer College testifying to his achievements in finishing the requirements for a high school degree while at the same time completing a full year's college credit.

In the 1950's, under a grant from the Ford Foundation, Shimer College, located in Waukegan, began admitting students who

had not yet completed high school. The college, which has been known for more than 30 years as a "great books" liberal arts college, accepts a limited number of qualified early entrants each year, awarding the Robert Maynard Hutchins Scholarship in honor of the late director of the Center for the Study of Democratic Institutions and former President of the University of Chicago. Parson has held this scholarship this year.

## Schedule farmland assessment

Robert Jasper, supervisor of assessments, will conduct a meeting to inform landowners as to the procedure used to arrive at the value placed on farmland.

The meeting will be held at the Extension Service Building located next to the Farm Bureau beginning promptly at 7:30 p.m.

The program will give a brief analysis as to individual township assessors so everyone, if they have specific questions, will be able to obtain information.

Jasper will work through actual examples, and it is

advised participants bring a work pad and a hand-held calculator. Work sheets will be passed out to those in at-

tendance whereby the landowner can work up his property and compare with the local assessor's figures.

## When I think about it Media hype, help or hinder?

by GLORIA DAVIS

I think by now everybody in the country knows that the economy is bad. All the lonely forest rangers know that financially the country's not in good shape.

Even the isolated moonshiners in the hills of Kentucky are aware of this situation. If there is any person left that can read a newspaper, watch the tv news or hear a news flash on the radio, who doesn't know about the sagging economy, it's not the medias' fault. Just get them their address and I'm sure they'll notify him by carrier pidgeon.

Now I know that "we in the business" operate under the premise of the public's right to know, but I sometimes wonder if, through the help of the media, we sometimes know too much.

Does this constant hammering about the terrible recession we're in make matters worse, make us afraid to spend even when we should?

I've been told that one of the worse things that can happen is for the money flow to stop, ruining more businesses, causing more unemployment etc.

Can those deary headlines that remind us, lest we should forget for one minute, to watch our money because its getting scarcer and scarer, result in this very thing?

Maybe if everyone would forget all about the "recession" and operate as usual, things would be looking up before the news could make-up another depressing headline.

When I said operate as usual, I mean within reason. Those horribly high interest rates are still staring us in the face and I'm not proposing going into any obvious money-

losing investment.

Maybe it's the American connotation of "bad times" that's the crux of the matter. Have we all had it so good since good old WW2 that many of us consider ourselves on "Pov-row" when we have to drink beer instead of champagne?

Now there's no denying that a lot of people are in real financial trouble but that's always been the case. If that number is greater than it was 10 years ago I somehow don't think that this is the time for those who have a little money to stop buying and pull it out of circulation.

I wish that anyone who has been forced to forgo buying that new \$9,000 car or forget the vacation in Puerto Viarta this year would talk to a friend of mine who just had a visit from a relative who lives behind the Iron Curtain.

This person was thrilled at a trip through the supermarket. He said that the grocery stores in his home town had the choice of only the basic foods even if you had the money to purchase better.

He recounted the thrill of seeing a sign saying "We Have Potatoes Today" go up and no one minding standing in the long lines because it meant that they would have some of those delicious spuds for dinner.

And in the U. S. those shopping malls full of luscious high priced goods are still crowded on the weekends and many many people are walking around with purchases, yet we're all screaming "depression!"

I guess what I'm trying to say is that although this might be the time to pull in your horns a bit, there are still red capes to be charged, with decretion.

## The Time Machine

FIFTY YEARS AGO: June 9, 1932

Antioch's business hours were suspended in respect to Mrs. W. F. Ziegler, one of Antioch Grade School's first teachers, during her funeral.

An article in the News claimed that Lake County States Atty. A. V. Smith was defeated in his bid for reelection because of the resentment felt after his "courageous" prosecution of an oleo bootleg ring.

The two top students at Antioch High School were Bernice Jensen and Margaret Smith.

Antioch was the scene of an unusual incident when two brothers-in-law, who hadn't seen each other in seven years, one coming from the east coast and the other from the west coast, took the same train from Chicago to Antioch, took separate taxis to the same residence and didn't see each other until they got out of their taxis.

Shades of the \$50 designer jeans, Oshkosh overalls were being sold for \$1.29 by Otto Klass.

THIRTY YEARS AGO: June 5, 1952

Police Chief Walter Scott claimed that the largest crowds in Antioch's history were in town for the three-day Memorial Day holiday.

Albert Dittman was appointed the new principal of Antioch Township High School.

Plans for Orchard St., between Main and Depot Sts., to be widened to 80 feet were approved by the village board.

The American Coach Co. began a temporary bus service between Antioch and Chicago.

Antioch Township High School graduated 73 seniors.

TEN YEARS AGO: June 7, 1972

Jennifer Hotchkiss and Barb Plosgrove tied for valedictorian honors and Cheryl Galonka was salutatorian of Antioch Community High School.

Shirley Jensen and Bob Bundy were starring at the PM&L Theater in "Arsenic and Old Lace."

A survey taken by the News had a four to one vote that the kids of 1972 had fewer morals than their parents and that the grandparents had been stricter on the parents than they were being on the teenagers of 1972.

HONOR DR. PETTY— W.C. Petty, right, received Distinguished Illinois Citizen Award at College of Lake County's commencement May 14. Presenting award was James Lumber, member of board of trustees.

## CLC honors Petty as Distinguished Citizen

The College of Lake County Board of Trustees presented the first annual Distinguished Illinois Citizen Award at the college's commencement ceremony.

Recipient of the award was Dr. W. C. Petty, former superintendent of schools in Lake County. Dr. Petty served in the superintendent's position for 40 years, retiring from the post in 1971. The CLC award was presented at the graduation held on Saturday, May 15, in the fieldhouse on the Grayslake campus.

This is the first year for the presentation of the CLC Distinguished Illinois Citizen Award and the beginning of

tradition for the College of Lake County. The CLC trustees plan to make this presentation an annual event.

Dr. Petty was an obvious choice for the first award with his history of dedication to the educational community. Education and educational administration has been Dr. Petty's career and life's work.

A resident of Antioch he has served on statewide educational commissions, was a member of the evening school faculty at Lake Forest College, and organized the Special Educational District of Lake County.

This is certainly not the first award received by Dr. Petty, who has been honored by the Illinois PTA, the Grove School, the Lake County Civic League and many other groups. Dr. Petty continues to share his expertise and time with many organizations including the Advisory Board for Carmel School for Girls, the County Board of Health, and the First National Bank of Antioch Board of Directors.

## Theater groups sponsor season

PM&L and The Fool's Players, Inc. are planning a special treat for northeastern Illinois and southeastern Wisconsin theatre-goers this summer in the form of an Antioch Summer Theatre Festival '82.

To open the summer season Antioch's Lloyd Pedersen will be featured in concert in the auditorium at Antioch Community High School on Sunday evening, June 27 at 7:30 p.m. Lloyd Pedersen in concert will be a benefit performance for the Antioch Summer Theatre Festival and tickets will be \$5 each.

Pedersen has been the lead male vocalist with the Wayne King Orchestra and has also toured with his own show. He is living in Los Angeles where he is both acting and singing. Featured with Pedersen will be vocalist Trish Schaefer from

Grayslake.

"H.M.S. Pinafore," a musical show by Gilbert and Sullivan, will be presented by The Fool's Players on July 9, 10, 16 and 17 on the stage at the auditorium of ACHS. Ken Smouse is directing and Lynn Schornick, conductor of the Waukegan Symphony and director of the Jack Benny Performing Arts Center, will be orchestral conductor. Tickets will be \$3 for all seats.

"Ah! Wilderness," a comedy by Eugene O'Neil directed by Tom Hausman, will be PM&L Theatre. Tickets will be \$4 for adults, \$3 for senior citizens and \$2 for students.

A season ticket for "H.M.S. Pinafore" and "Ah! Wilderness" can be purchased for \$5. Reservations can be made for all shows by calling (312) 395-3055.

## Pedersen will open Antioch Theater fest

## Schedule art fair

"Lloyd Pedersen in Concert" will be the opening act for this year's Antioch Theatre Festival '82.

On Sunday evening, June 27, at 7:30 p.m., the house lights will dim, the stage lights will brighten and Pedersen will step into the spotlight to begin one of the most exciting shows Lake Countians have enjoyed since he last played Marriott Lincolnshire's Main Brace Lounge.

Pedersen was an early member of the PM&L Theatre and appeared here several years ago in its production of "H.M.S. Pinafore" which will be presented again in this summer's Theatre Festival.

He also played Lt. Cable in "South Pacific", Richard in "Take Me Along" (also being performed this summer in its non-musical form, "Ah, Wilderness") El Gallo in "The Fantasticks" and produced, directed and acted in PM&L's first young people's

production of "Spoon River Anthology".

"Lloyd Pedersen in Concert" will be a true homecoming performance.

Appearing with him will be the popular singer-actress Trish Schaefer from Grayslake who was most recently seen by local theatergoers in the Marriott Lincolnshire Theatre's critically acclaimed production of "Oliver" PM&L audiences will remember Trish as Leading Player in "Pippin", Reno Sweeney in "Anything Goes", Lettie, the maid, in "Something's Afoot" and Elizabeth Procter in "The Crucible".

Trish was also featured as the principal dancer in The Fool's Players production of "Amahl and the Night Visitors."

The concert is a benefit performance for the Antioch Theatre Festival '82 and tickets for all sales are \$5. Reservations can be made by calling (312) 395-3055.

The beautiful lake front is the site of the Third Annual Cross Lake Arts and Crafts Fair, scheduled for Saturday, July 3, and being held in conjunction with the yearly "Lake fest" which goes back over 35 years.

It is sponsored by the Cross Lake Improvement Assn. whose purpose is to unite the property owners and help maintain the parkway and beach area.

Since it is a non-profit organization the "Lake fest" has been held over the years, not only to provide pleasure, but to raise the funds necessary for that maintenance.

The added interest provided by the many exhibitors whose displays are set among the trees along the lakes parkway has given a "spark" to the festivities.

Charcoal barbecued chicken is being featured this year along with the extras and plenty of beer. The prizes always add to the excitement and the games provide fun for the children. It begins at 11 a.m.

Exhibitor space applications can still be had by sending a self-addressed stamped envelope to C.L.I.A. c/o Buck, 12421 233rd Ave., Trevor, Wis. 53179.

## 'Cat's' meow at PM&amp;L has 5 performances left

Tennessee Williams' "Cat on a Hot Tin Roof," which opened Saturday night June 5, will run for two more weekends at the PM&L Theater, 877 Main St. in Antioch.

The remaining evening performances are scheduled for Friday and Saturday nights, June 11, 12, 18 and 19. Curtain time for these shows will be 8:30 p.m.

There will also be a matinee presentation on Sunday afternoon, June 13. An unusually good chance for families and other large groups to see the show together, the Sunday matinee has been increasingly popular with PM&L audiences.

And this Sunday that chance translates into an opportunity to see one of the best plays turned out by an outstanding contributor to

contemporary American theater.

Curtain time for the Sunday matinee is 2:30 p.m. and reservations should be made immediately, if the performance is preferred.

Saturday night's audience greatly enjoyed the opening performance of "Cat on a Hot Tin Roof," a blunt and frank tale of avarice and mendacity on a dying southern plantation.

To see any of the remaining performances of this PM&L production, be sure to call (312) 395-3055 for your reservations, and to check in at the box office no later than 8:15 p.m. on the night, or 2:15 p.m. on the afternoon of the show.

## SUNDAE PARTY

4-H "Alumni", former 4-H'ers over the age of 19, from every state in the Union are invited to attend a 4-H Alumni Sundae Party on Thursday, June 17 at 7:30 p.m. The party is being held to reunite former 4-H'ers and form a social, family oriented group for those with similar interests. The meeting will be held at the Lake County Cooperative Extension office, 310 North Highway 45, Grayslake.

## 600 teens to see if 'Anything Goes!'

"Anything Goes", it's called. What is it? A wild games event where anything goes. Six hundred high school students are expected to participate in "Anything Goes", to be held in Shiloh Park, Zion, June 12 from 9 a.m. to 10 p.m.

North Suburban Youth Ministries sponsors the event. To become a participant of a 10 boy-girl team, one must contact a participating church. In An-

tiotch, Donald Erickson, youth pastor of the Antioch Evangelical Free Church is heading up several teams.

Those who participated in last year's events are enthusiastic about returning. "It was great, but tough," said one of the troops.

"The events were exciting, not the usual game relays." These events go by titles such as "Monkey mania", "Moon Ball Line Soccer", "Off the Wall", "Super Slide", etc. The winning duo

compete in a water fight extravaganza.

Following a cooling down period of R&R, from 5 to 7 p.m., an evening of entertainment is planned, a live concert, a multi-media presentation of the days activities, drama, carrying through the theme, "Games People Play", and concluding with speaker, Terry Prisk, presenting a challenging message for today's youth.

## Medrala gives to university

A \$750 check has been presented to Henri Manasse, dean of the University of Illinois College of Pharmacy, from the Burroughs Wellcome Pharmacy Education Program.

Thirty-five thousand pharmacists entered from all 50 states plus the District of Columbia and Puerto Rico.

In a letter of appreciation to Medrala, Dean Manasse said, "Thank you so much for remembering the college through the Burroughs Wellcome Educational program."

The Burroughs Wellcome Pharmacy Education Program is a part of the company's partnership with pharmacy in helping to assure the future of the profession through education.

### Seniors open as State Bank romps

The Antioch Senior Baseball League opened its season on Wednesday, June 2, at the Antioch Upper Grade School baseball field.

The State Bank team beat the Medics, scoring 21 to 4. Larry Rodgers pitched for the State Bank and it was a one hit ball game with Tom

Kane getting that hit for the Medics.

On Saturday, June 5, Hahn's beat the Vault team, 4 to 3. Tied 3 to 3 at the end of

seven innings, the game was won in the extra inning.
